

LOONEY TUNES

Karl Groeger Jr. and Jamie Groeger

Store Bio:

Looney Tunes was established in 1971 by our founder (and father) Karl Groeger, Sr. The store started out at 900 sq. ft. and grew from there. During the 1980s, we continued to grow and now carry a full selection of genres, ranging from hard rock to Ska. The store has been voted #1 Retail CD store on Long Island for six years in a row...we've developed a very loyal customer base and are constantly adding tons of new merchandise to our inventory, including T-shirts, stickers, autographed rock memorabilia and more.
